

FERRIS*Now*

Quick Steps for New Students

1 Upon receipt of your acceptance email, follow the link to obtain your Ferris student id number.

If you do not receive an email with this information, email FerrisNow@ferris.edu and someone will reach out to you with your ID number.

2 Find your MyFSU Computing ID and Temporary Password.

Visit <https://www.ferris.edu/it/ferrisusername/> and fill in your ID number and birthdate.

3 Initial Ferris Login and Multi-Factor Authentication (MFA)

Once you have your initial, temporary password complete the following steps:

- Log into www.office.ferris.edu by using your Ferris email account and initial password.
- Set-up your MFA.
- Navigate to www.ferris.edu/myfsu and login using the first part of your Ferris email (before @ferris.edu) and your initial password.
- You will then be prompted to set-up a new password.
- When you go to the "forgot your password" link on MyFSU, you will have to provide your username, CAPTCHA, and the method you setup. Once you provide those 3 things, you will be able to reset own password.
- If you have issues once you have your Ferris ID number, please contact IT at (231) 591-4822.
